Bandung | 0838-3024-7142 | daudmanuwu@gmail.com

Summary

2nd year college student and aspiring software developer with a focus on web development, seeking opportunities to contribute and grow in the industry. With a passion for problem-solving and a commitment to staying updated with emerging technologies, I am poised to deliver innovative solutions and drive impactful results in collaborative team environments.

Quality and Skill

Strong passion for software development and eagerness to stay updated with the latest industry trends, currently learning **go** and **java**.

Proficient in **JavaScript**, **PHP**, and experienced in working with **React** framework.

Skilled in designing visually appealing web interfaces using **Tailwind** and **CSS**.

Experienced in working with popular database management systems (DBMS) such as **MySQL**, **PostgreSQL** and **mongoDB**

Familiarity with backend development and eager to expand my knowledge in this area.
